We currently have an opportunity for Domiciliary Care Assistants who are compassionate and adaptable to join our Domiciliary Care team for clients people in Yorkshire.

Responsibilities:

Provide a high quality, professional service of care to our clients .

Treat our clients with dignity and respect.

Enable clients to remain in the community, to be supported and maintained safely in their own home and thereby enhance quality of life.

Support our clients to keep independent and healthy and encourage them to be part of the community within the home.

Help clients to maintain relationships with neighbours, familiar activities and surroundings, providing social contact, especially for residents who live alone. Encourage client's individuality and independence. Treat others as individuals with unique and diverse needs.

Assist with all aspects of care, including personal care, end of life care, and nutritional help.

Record care entries on care plan system.

Support clients to eat and drink. Get to know clients so as to comfort, assist and give reassurance when needed. Assist other care workers and professionals to provide care for clients .

Assist with tidying, cleaning, laundering and other domestic tasks when needed.

Skills/Experience: You need to be someone who enjoys working with older people and can have an empathy with them; You need to be able to work in a team and be willing to take on any task to provide an excellent level of care to our clients;

You need to be well-organised, adaptable, and practical

Hours: 39hrs per week fulltime

Full and Part time Shifts available to cover sickness, absence, holiday and relief.

Benefits:

Excellent rate of pay

Free training including the new care certificate

On-going training and support

Being part of our friendly staff team.

We offer a full induction to the work

Work uniforms provided

– What our staff say about us: ...“It is a friendly and welcoming place to to work -
